

## Freezable Protection Service

Product integrity during cold-weather shipping

## PROACTIVE SERVICE ALERTS!

Sign up today to receive Reddaway service alerts.

Reddaway takes service beyond the standard pickup and delivery process by offering proactive email weather alerts when extreme weather occurs. We will send you updates when extreme weather may necessitate changes to our Freeze Protection Service schedules.

To register for weather alerts go to [reddawayregional.com/alerts](http://reddawayregional.com/alerts)

18 time Quest for Quality winner, Western Regional LTL Carrier

Committed to environmental sustainability

16277 S.E. 130th Avenue

## We deliver confidence for products sensitive to low temperatures

Reddaway has years of experience protecting temperature sensitive products such as: paints, adhesives, lubricants, sealers, cleaners, coatings, solvents, strippers, inks, greases, de-greasers, hydraulic fluids, etc...

### Features & Benefits:

- Most next-day lanes in our service area. More next-day lanes mean less chances of freezing. Key coverage in the intermountain regions of Colorado, Idaho, Montana, Utah and Wyoming
- Pickups made Monday through Thursday.\* Email weather alerts available by registration on [reddawayregional.com](http://reddawayregional.com)
- Technically-engineered and environmentally-friendly cargo quilts or trailer heaters are available when and where you need them

### How to engage the service:

- 1 On the BOL under Special Instructions, write "Protect from Freezing".
- 2 Make sure to place a "Protect from Freezing" sticker on your shipment.

The image shows a 'UNIFORM STRAIGHT BILL OF LADING' form. At the top, it says 'AFFIX PRO LABEL HERE'. The form is divided into 'TO' and 'FROM' sections for contact and address information. A section for 'SPECIAL INSTRUCTIONS/COMMENTS' is highlighted with an orange box and contains the handwritten text 'Protect from Freezing'. Below this is a table for 'SECTION TELEPHONE NUMBER' with columns for PRICES, TYPE OF PACKAGING, HSI, UNKN #, DESCRIPTION OF ARTICLES, HSI CLASS, HSI CLASS (FREIGHT), PKG GROUP, WEIGHT (LB), NARC ITEM #, and FREIGHT CLASS. The bottom of the form includes fields for 'TOTAL PRICES', 'SHIPMENT DIMENSIONS', 'CUBIC FEET', and 'TOTAL WEIGHT'.

For more information go to [reddawayregional.com](http://reddawayregional.com) to reference our Special Services Schedule (rules tariff) item 810 for specific product requirements and restrictions.

- \* Restrictions may apply depending on service lane transit times.
- \*\* Customer must specify the freezing point of their product - per the Special Services Schedule, this cannot be above 32 degrees Fahrenheit.
